

**IN THE MATTER OF the *Patent Act* R.S.C. 1985, c. P-4,  
as amended**

**AND IN THE MATTER OF Amgen Canada Inc.  
(the "Respondent") and the medicine "Neulasta"**

**NOTICE OF HEARING**

**TAKE NOTICE** that the Patented Medicine Prices Review Board (the "Board") will hold a hearing in its offices in the Standard Life Centre, 333 Laurier Avenue West, 18<sup>th</sup> Floor, Ottawa, Ontario, starting on **September 28, 2009**, or as soon thereafter as the hearing may be held. A pre-hearing conference has also been scheduled for **June 3, 2009**, at 9:30 a.m.

**A. Purpose of the Hearing**

1. The purpose of the hearing is to determine whether, under sections 83 and 85 of the *Patent Act* (the "Act"), the Respondent is selling or has sold the medicine known as Neulasta in any market in Canada at a price that, in the Board's opinion, is or was excessive and if so, what order, if any, should be made.

**B. Power of Board With Respect to Excessive Prices**

2. In the event that the Board finds that the Respondent is selling Neulasta in any market in Canada at a price that, in the Board's opinion, is excessive, the Board may, by order, direct the Respondent to cause the maximum price at which the Respondent sells Neulasta in that market to be reduced to such level as the Board considers not to be excessive and as is specified in the order.

3. In addition, in the event that the Board finds that the Respondent has, while a patentee, sold Neulasta in any market in Canada at a price that, in the Board's opinion was excessive, the Board may, by order, direct the Respondent to do any one or more of the following things as will, in the Board's opinion, offset the amount of the excess revenue determined by it to have been derived by the Respondent from the sale of Neulasta:

- a) reduce the price at which the Respondent sells the medicine in any market in Canada, to such extent and for such period as is specified in the order;
- b) reduce the price at which the Respondent sells one other medicine to which a patented invention of the Respondent pertains in any market in Canada, to such extent and for such period as is specified in the order;

c) pay to Her Majesty in right of Canada an amount specified in the order.

4. In addition, in the event that the Board, having regard to the extent and duration of the sales of Neulasta at an excessive price, is of the opinion that the Respondent has engaged in a policy of selling Neulasta at an excessive price, the Board may, by order, in lieu of any order it may make pursuant to paragraph 3 hereof, direct the Respondent to do any one or more of the things referred to in that paragraph as will, in the Board's opinion, offset not more than twice the amount of excess revenue estimated by it to have been derived by the Respondent from the sale of Neulasta at an excessive price.

### **C. Grounds for the Proposed Orders and the Material Facts**

5. Board Staff has conducted an investigation into the price of Neulasta (Drug Identification Number ("DIN") 02249790), a patented medicine currently sold in Canada by the Respondent. Neulasta is sold in Canada in a 0.6 ml single-use syringe of 10 mg/ml solution. The material facts relied upon by Board Staff for the purpose of the Notice of Hearing and the order sought from the Board are described in the Statement of Allegations of Board Staff dated March 5, 2009, a copy of which is attached.

### **D. Procedure**

6. The Board has a public interest mandate to conduct its hearings as expeditiously as the paramount need for fairness permits. The Board will conduct this proceeding in accordance with the proposed Patented Medicine Prices Review Board Rules ("Rules"), **unless otherwise provided in this Notice of Hearing or in any subsequent communication from the Board.**

7. The Board will conduct the hearing in public unless the Board is satisfied on representations made by the Respondent that specific, direct and substantial harm would be caused to the Respondent by the disclosure of information or documents at a public hearing, in which case the hearing or any part thereof may, at the discretion of the Board, be held in private.

8. While the Board attempts to consult with parties when practicable regarding the scheduling of its public hearings, parties are expected to retain counsel and witnesses who can make themselves available on the hearing days that are scheduled by the Board.

9. Witnesses are to be ready to testify throughout the days set out for evidentiary matters, standing-by where required in order to avoid delays or unutilized scheduled time.

10. Parties are required to file six (6) paper copies of documents that are required to be filed in accordance with the Board's Rules. In addition, all parties are requested to provide, on compact disc(s) or by e-mail, converted (i.e., not scanned) Portable Document Format (PDF) files of any documents they create or that they acquire in electronic form and scanned PDF files of any documents that cannot be converted.

**E. Notice of Appearance**

11. Parties are to advise the Secretary of the Board, in writing (by e-mail or fax) and other parties of their legal representation no later **March 24, 2009**.

**F. Response**

12. If the Respondent wishes to oppose the proposed order, the Respondent shall, no later than **March 31, 2009**, file with the Board and serve upon all other parties, in accordance with section 18 of the Rules, a response dated and signed by the Respondent. Take notice that if the Respondent has not filed a response by **March 31, 2009**, or within such longer period as the Board may by order provide, the Board may make such findings and orders pursuant to section 83 of the Act as it deems appropriate.

13. The Respondent should note that the Response constitutes a relatively general statement of the Respondent's position. The evidence of the Respondent, in support of that position, is due **July 24, 2009**, as per the attached Schedule of Events.

**G. Reply**

14. If Board Staff wishes to reply to the Response, Board Staff shall, no later than **April 14, 2009**, file with the Board and serve its reply upon the Respondent and all other parties.

**H. Intervention**

15. Ministers referred to in subsection 86(2) of the Act ("Ministers"), who intend to appear and make representations before the Board shall, in accordance with section 20 of the Rules, file with the Board and serve on the Respondent and all other Ministers a statement of intervention, dated and signed by the said Ministers, on or before **March 31, 2009**.

16. Any person, other than the Respondent or Ministers, who claims an interest in the subject matter of this proceeding may apply to the Board, in accordance with section 19 of the Rules, for leave to intervene in the proceeding, on or before **April 13, 2009**.

17. The Respondent, Ministers and Board Staff may make representations with respect to any application to intervene by filing their representations with the Board and serving a copy thereof on the Applicant on or before **April 27, 2009**.

**I. Pre-hearing Conference**

- a) receiving and considering representations and deciding whether disclosure at the hearing of information or documents would cause specific, direct and substantial harm to the Respondent and, if so, determining whether the hearing or any part thereof shall be held in private and the procedure to be followed at such hearing pursuant to subsection 86(1) of the Act;
- b) determining applications for leave to intervene in the proceeding;
- c) determining the application of subsection 87(1) and related provisions of the Act and the Rules to information or documents, including the attachments referenced in the Statement of Allegations of Board Staff;

- d) any general submissions the party wishes to make respecting the conduct of the proceeding; and
- e) the official language or languages that the party wishes to use.

**J. Confidentiality Requests**

20. Any claim for confidentiality, made in connection with a document filed with the Board or requested by the Board or any party, shall be filed with the Board and served on all parties and accompanied by the reasons therefore, and where it is asserted that specific, direct and substantial harm would be caused to the party claiming confidentiality, the party's claim shall contain sufficient details as to explain fully the nature and extent of such harm.

21. A party claiming confidentiality in connection with a document shall indicate whether the party objects to providing an abridged version of the document to other parties and, if so, shall state the party's reasons for the objection.

22. Any party wishing the disclosure of a document filed with the Board in relation to which there has been a claim for confidentiality may file with the Board and serve on all parties within seven days of being served with the claim for confidentiality:
