6. While the Board attempts to consult with parties when practicable regarding the scheduling of its public hearings, parties are expected to retain counsel and witnesses who can make themselves available on the hearing days that are scheduled by the Board.

11. The Respondent should note that the Response should constitute a relatively general statement of the Respondent's position. The evidence of the Respondent, in support of that position, is due May 2, 2008.

17. A party claiming confidentiality in connection with a document shall indicate whether the party objects to providing an abridged version of the document to other parties and, if so, shall state the party's reasons for the objection.

18. Any party wishing the disclosure of a document filed with the Board in relation to which there has been a claim for confidentiality may file with the Board and serve on all parties within seven days of being served with the claim for confidentiality:
